Section 3 – Terms and conditions

Part A – Banker and customer relationship

1. Our relationship

These *terms and conditions* govern the banker-customer relationship between *you* and *us*. As well as these express written *terms and conditions*, there may be implied terms relating to everyday banking matters.

The opening of *your account* will be taken as *your* acceptance of these *terms and conditions*.

Where *you* are not already bound by the *terms and conditions* in this *Product Guide*, the first use by *you* or an *authorised operator of your account* will be taken as acceptance of these *terms and conditions*.

Your relationship with us may also automatically stop in some cases. For example, if *you* close *your account*, if *you* become bankrupt or *insolvent*, or if *you* die. If we wish to end *your* relationship with us, in most cases we will give *you* reasonable notice. However, sometimes this may not occur.

Part B – Banking with us

2. How to change your details

If *you* change *your* address, telephone number or other relevant details *you* must notify *us* promptly so we can update *your* information. If *you* change *your* name, all *you* have to do is show *us* the documentation that supports the change, for example a marriage certificate if *you* have changed to a new married name.

Please note that unless *you* give *us* reasonable notification of such changes we cannot be held responsible for any resulting errors or losses.

3. Information influencing your account

If *you* provide us with incomplete or incorrect information we may not be able to meet *your* needs in the best possible way. Also, if *you* refuse to tell us some information we request, we may not be able to provide *you* with a financial product or a banking service.

4. Statements

We will provide *you* with a *monthly statement* for the *account*.

Your statement is an easy-to-read record of all transactions *you* have made over the *statement period*. Every *statement* is worth keeping as it provides an invaluable record of all transactions, interest earned and government charges as well as the current *balance*. *You* should check each *statement* carefully and contact *us* immediately if *you* find any error or unauthorised transaction.

5. Communication between us

Notices, certificates, consents, approvals and other communications must be in writing. Communications from *us* may be signed by any of *our* authorised employees.

Communications to *us* may be:

- Given personally to one of *our* employees or officers at:
 - any *branch*
 - *our* registered office
 - such other places as we advise *you* from time to time, or
- Sent by prepaid post or electronically (including fax) to any of these places or to GPO Box 1048, Adelaide, South Australia, 5001 (as applicable), or
- Given by any other means permitted by law.

A power of attorney in connection with a transaction under these *terms and conditions* may be given personally to one of *our* employees or *officers* at *our* registered office or the *branch* dealing with the transaction concerned.

We may communicate information to any one of *you* (which will be taken to be notice to all of *you*) by:

- Delivering it to *you* personally, or
- For individuals, leaving it at *your* residential or business address last known to *us*, or
- For bodies corporate, leaving it at *your* registered office by leaving it with one of *your officers*, or
- Sending it by prepaid post or electronically (including fax) to any of these places, or
- Any other means permitted by law.

A notice or other document is taken to be given when:

- Given personally – on the date of the document or the date it is received by the addressee, whichever is the later, or
- Sent by post (other than a *card* or security code) – on the date of the document or the date when it would have been delivered in the ordinary course of post, whichever is the later, or
- Sent by facsimile transmission or some other form of electronic transmission – on the date of the document or the date on which the machine from which the transmission was sent produces a report indicating that the document was sent to the facsimile or other number of the addressee, whichever is the later.

Communications given by newspaper advertisement are taken to be received on the date they are first published.

If *you* are a company, all communications from *you* must be signed by a director or *authorised operator* in certain circumstances.

We may serve any document in a court action (including a writ of summons, other originating process or third or other party notice) on *you* by delivering it to *your* residential or business address last known to *us* or by leaving it there. This does not prevent any other method of service.

We may telephone *you* to confirm any instructions regarding *your account* sent electronically to *us*. We reserve the right to withhold processing any instructions regarding *your account* sent electronically to *us* until we have confirmed these instructions with *you* by telephone.

- Is required in *our* interest.

For example, if we are trying to recover a debt, we may have to inform solicitors, debt collectors, credit reference agencies or other credit providers.

Consent can be express (for example, a letter signed by *you*) or implied (for example, conduct that suggests that *you* agree to *us* giving *your* tax agent copies of bank statements). *Our* duty extends to information such as:

- The debit or credit *balance* of *your account*

7.4 Your credit information

We have adopted the Code of Banking Practice. The Code of Banking Practice will apply to this *account* if *you* are an individual or a small business (as defined in the Code of Banking Practice). In this *Product Guide*, and if *you* ask, we will provide *you* with general descriptive information concerning customer cheques or *our* banking services.

This includes:

- Information on current *annual percentage rates* and fees and charges.

If there is any inconsistency between these *terms and conditions* and the Code of Banking Practice we will follow the Code of Banking Practice.

9. EFT Code

10. Other regulations

As well as these *terms and conditions*, industry codes of practice and legislation may provide further rights or obligations. Key *sources* of regulation which may apply include:

Financial Ombudsman Service

We do not anticipate a situation where we cannot resolve a concern or complaint to *your* satisfaction. However, should this happen, you have the option of referring the matter to the Financial Ombudsman Service.

The Financial Ombudsman Service is an independent person appointed to help individual customers and small businesses resolve problems and disputes with their bank. *You* do not have to pay if *you* ask the Ombudsman to help *you*.

The Ombudsman's role is to investigate matters only after customers have fully exhausted the established complaint procedures of their bank.

12. Risk

All financial products carry risk. Interest rate risk is the most significant risk associated with the CMA.

The interest rate applying to *your account* may be affected by changes to the official cash interest rate, which is determined by the Reserve Bank of Australia. *Your* interest rate can also be affected by changes in the interest rates prevailing between Australian banks in the Australian wholesale money market. These interest rates may vary depending on a number of factors, including Australian and overseas interest rates, market liquidity, exchange rates, monetary policy and other economic, social and political factors.

13. Commission

We may pay commission to *your* adviser based on the deposit *balance* of *your account*.

	Amount	When
Ongoing commission We may pay a standard ongoing commission to the financial adviser or entity that refers <i>you</i> to the CMA	0.275% per annum	Paid monthly on the average <i>balance</i> of <i>your account</i>

Additional commissions or incentive *payments* may also be provided to a financial adviser or entity that refers *you* to the CMA, or the company that operates the financial adviser group to which the financial adviser belongs.

These commissions and other incentive *payments* will be paid at no cost to *you*. They will be paid by *us*.

Part C – Using *your account*

14. *Your account*

14.1 How to open *your account*

To open an *account* with *us* you will need to complete an account application form with *your* personal details. *You* will be asked to sign this form to certify that all the information is correct. With this information *we* will be able to identify *you* and ensure *we* meet *your* needs in the best possible way.

An *account* may be opened in the name of an individual, company, partnership, trust, self managed super fund or an association.

14.2 Minimum deposits, transactions and *balances*

The minimum initial investment amount to establish an *account* is \$1,000. There is no minimum deposit nor minimum withdrawal amount.

The minimum operating *balance* on *your account* is at all times to be \$1,000. There is no maximum operating *balance*.

14.3 Availability of funds

Your funds are available at call.

15. How to identify yourself

When *you* open an *account* and do not have an open *account* with *us*, *we* will need to obtain proof of *your* identity. The Federal Government requires *us* to check *your* identity.

When *you* open an *account* with *us* *we* need to obtain identification as required by law, including Know *Your* Customer requirements under anti-money laundering and counter terrorism financing legislation. This will include information such as, for an individual, name, residential address and date of birth and for a company, information such as details of directors and shareholders. Where the customer is a trust, details of the trustee and beneficiaries may be required. *We* may also require other information such as information concerning business activities, business structure and reason for opening an *account* in Australia.

You only need to provide this information once. *We* will file it for future reference should *you* open other *accounts* with *us*. This information is also required if *you* become a signatory to an *account* of another *person* or organisation.

16. Joint accounts

If *you* have a joint *account* with another *person* or *persons*, *you* will each be liable for any amount due to *us* on the *account* and any other obligation under these *terms and conditions*.

Under these *terms and conditions* *you* are liable both separately on *your* own and jointly with any one or more other *persons* named as *account* holders of *your account*.

This includes *your* successors and assigns. This means we can ask all of *you* or any one of *you* for the whole of the amount owing, if the *account* becomes overdrawn.

In some cases *you* may be able to limit *your* liability on a joint *account*. A request to limit *your* liability to *us* will only apply in relation to future advances and not to money already owing. *You* should direct any requests to limit *your* liability in writing to *us*. Requests are only effective upon written acceptance from *us*.

Joint liability for amounts owing to *us* may also be limited as a result of family law property proceedings, for example following a Family Court decision to transfer the mortgage and title on a jointly owned home. Further general information regarding joint liability in relation to family law property proceedings is available from *our* website adelaidebank.com.au

Upon the death of one or more of *you*, we shall be entitled to treat the survivor(s) as having title to *your account*. However, we will normally treat all authorities for operating the joint *account* as cancelled once we know of *your* death (and certain conditions have been met) or of *your* bankruptcy. We must be notified as soon as practicable if one of *you* dies.

It will be up to *you* and the other joint *account* holders to say how many of *you* must sign in order to operate the *account*. Any such arrangement will form part of the *terms and conditions* of the *account* with *us* and may be altered at the request of *you* and the other joint *account* holders. If we receive no other instructions we will assume the signature of any of *you* is required.

Regardless of any arrangement with *us*, any holder of a joint *account* can require *us* to operate the *account* only on the signature of all parties. This might be done if there is a dispute between the joint *account* holders.

Unless we agree otherwise, the signature of any of *you* is required:

- On any notice or request for withdrawal of moneys
- On receipt for moneys paid
- To appoint or remove an *authorised operator* to *your account*
- To end *your* relationship with *us* under these *terms and conditions* at *your* request.

If there is more than one of *you*, *you* authorise *us* to accept for the credit of *your account* any cheque payable to any one or more of *you*.

You agree that where *you* hold an *account* jointly with another *person* or *persons*, *you* each appoint the other *account* holder(s) as *your* agent for the purposes of receiving a copy of this *Product Guide*, *statements of account*, transaction confirmations and any other information relating to the *account* that is required to be provided to each *account* holder. *You* can obtain copies of any of this information at any time by contacting *us*.

17. Giving someone access to *your account*

17.1 Access to *your account*

You can appoint an *authorised operator* to *your account* as outlined in this clause. Each use of *your account* by an *authorised operator* is subject to these *terms and conditions* as if *you* had used the *account*.

17.2 Who *you* can appoint

You may appoint any of the following to be an *authorised operator* on *your account*:

- A *person* aged 18 years or older
- A company, and/or
- A partnership.

17.3 Level of authority

The types of functions *your authorised operator*(s) can perform on *your account* will depend on the level of authority *you* grant them. *You* may opt for *your authorised operator* to have either 'limited' or 'full' access to *your account*.

In short, a limited access *authorised operator* will only be able to access information on *your account*, whereas a full access *authorised operator* can perform transactions on *your account*.

17.4 *Your* financial adviser

If *you* open *your account* through *your* financial adviser or stockbroker, they are automatically authorised as a limited access *authorised operator* on *your account*.

If *you* wish, *you* may increase the level of authority of *your* financial adviser or stockbroker by appointing them as a full access *authorised operator* on *your account*.

17.5 Cancelling *authorised operator* status

Please note that if *you* open *your account* through *your* financial adviser or stockbroker, they are unable to opt out of being a limited access *authorised operator* if they wish to be noted on *your account*.

You may cancel an authority to operate at any time.

Authorised operators may also cancel their own *authorised operator* status at any time (subject to the rules relating to financial advisers and stockbrokers outlined in the paragraphs above).

17.6 How to appoint an *authorised operator*

If *you* wish to appoint an *authorised operator* on *your account* or if *you* would like *your* financial adviser or stockbroker to have full access *authorised operator* status, *you* should forward to *us* *your* completed and signed Adelaide Cash Management Account Authorised Operator Form detached from the back of this *Product Guide*.

17.7 Functions your authorised operator can perform

Authorised operators, whether with limited or full access, are not able to appoint or remove other authorised operators on your account.

17.8 Terms and conditions applicable to authorised operators

You should ensure that an authorised operator is familiar with:

- the terms and conditions in this *Product Guide* (prior to that authorised operator using a transaction service), and
- any changes we make to these terms and conditions (authorised operators should note that we may not be obliged to notify them of those changes).

We will provide a copy of this *Product Guide* to you or an authorised operator at any time upon request.

When you allow an authorised operator to use your account (including use of a transaction service) you are bound by and liable for any such use (including for any fees and charges) as if your account had been used by you. However, you will not be liable if the authorised operator's rights to use your account were previously withdrawn in accordance with the following paragraph.

An authorised operator's rights to use your account will be withdrawn from when you have notified us in writing when you want that to happen, and whether any card issued to that authorised operator has been returned to us or you have taken reasonable steps to return the card to us. If you are a joint account holder, all of your signatures are required.

If you are unable to return to us a card issued to an authorised operator you may ask us to place a temporary stop on the access that the authorised operator has to your account. However, unless and until the card issued to the authorised operator is returned to us the stop will not necessarily prevent the authorised operator from using the card. Unless you have taken reasonable steps to return the card to us, you will incur liability for all transactions arising from use of the card by the authorised operator. We may require you to make a written statement outlining the steps you have taken in attempting to return the card to us. You may place a temporary stop on the authorised operator's access by visiting a branch or by sending us a request in writing.

If you appoint your stockbroker or financial adviser as an authorised operator, then they may place a trade hold on your account.

We may cancel the appointment of an authorised operator, by giving you 14 days' written notice of our intention to do so.

Where an authorised operator is a company, the powers of operation vested in the company are also taken to be vested in any director, any employee and any agent (accepted by us) of the company, and where the authorised operator is a partnership, the powers of operation are also taken to be vested in any partner, any employee and any agent (accepted by us) of the partnership.

Where there is more than one authorised operator any one of them may give instructions in relation to your account, unless you specify otherwise.

18. How to make deposits and withdrawals

There are many ways you can access your account with us. Please refer to clause 26 for further details on how to make deposits and withdrawals.

19. Interest rates

The interest rate on your account will be determined by us from time to time. We may at our discretion vary the interest rate on your account at any time. The current interest rates applicable to your account are available by:

- Calling 1800 224 124
- Visiting www.adelaidebank.com.au

Interest on your account is calculated daily on the closing balance of the account. Interest is paid to your account on the last day of each statement period and when your account is closed.

Interest is calculated on the daily closing balance of your account using the following formula: $\text{daily closing balance} \times \text{daily percentage rate}$. The daily percentage rate is the annual percentage rate for that day divided by the number of calendar days in the year.

20. Overdrawn accounts and interest charges

There must not be a *balance* owing on *your account*. If there is a *balance* owing on *your account* then that amount is immediately due and payable by *you* to *us*.

It is *your* responsibility to ensure that there are sufficient cleared funds available in *your account*, or that *you* have made the necessary arrangements with *us*, to allow a *payment* to be made. If *you* overdraw the *account* and *we* dishonour the transaction, a fee will be charged to *your account*.

We may charge interest on any overdrawn amount. Interest will be charged to *your account* on the last day of each statement period and on the day that *our* relationship with *you* ends. If, however, the day *we* debit interest charges is not a banking day *we* may debit interest charges on the preceding banking day.

Interest charges are calculated daily from the date *your account* is overdrawn up to and including the date *we* are paid. Depending on how long before *you* repay the money to *us*, interest may be capitalised at the end of the periods *we* choose. Please refer to the Contact details section at the beginning of this *Product Guide* to find out how to obtain the current interest charges applicable to *your account*.

You may also be charged a fee to reimburse *us* for any costs *we* incur in the recovery of *our* money.

21. Amounts which can be debited to *your account*

You agree that *we* may debit to *your account* without notifying *you* each drawing *you*, or an *authorised operator*, make or authorise on *your account* and *you* agree to pay *us* fees and charges debited as described in clause 52 and any other amount *you* must pay in connection with these *terms and conditions* on the date it becomes due.

22. Minimum deposit *balances*

You must ensure that *your account* is maintained consistently with the minimum deposit *balance* described in clause 14 of these *terms and conditions*, and if *you* do not *we* will inform *you* and ask *you* to restore the *balance* to the minimum.

23. Unused accounts

If *you* do not operate *your account* for 7 years and there is \$500 or more in *your account*, *we* may be required to transfer *your* funds to the Commonwealth Government.

24. How accounts may be closed or suspended

You or any other *full access authorised operator* may close, or suspend access to, *your account* at any time by asking at any *branch* or by writing to *us*. If there is more than one of *you*, *we* will only end *your* relationship with *us* under these *terms and conditions* on request if the request is from all of *you*. Upon *your* request, another financial institution may close *your account* on *your* behalf by fax or by mail.

We may exercise *our* discretion to close, or suspend access to, *your account* due to unsatisfactory conduct or for any other reason. *We* will give *you* reasonable notice of this or *our* decision to end *our* relationship with *you*. If *your account* has a deposit *balance* *we* will pay the deposit *balance* to *you* or as *you* direct.

A cheque form issued under these *terms and conditions* may not be used after *our* relationship with *you* has ended and must be immediately returned as soon as *we* advise *you* that *our* relationship with *you* has ended or when *you* request that *our* relationship with *you* end.

Even if *our* relationship with *you* ends, *your* liabilities (including the obligation to make any *payment* and *your* liability for interest charges and fees and charges) continue even if *we* pay *you* any deposit *balance* in *your account*.

If *your account* is in credit when closed, where applicable, any interest will be credited to the *balance*. If any accrued fees or charges or government charges are due on the *account* up to the closing day, these may be deducted from the *account balance*.

Monthly fees may still apply where the *account* is closed part way through the month. If there are uncleared funds in the *account* *we* will not make these funds available to *you* until the funds are cleared.

If *your account* has a debit *balance* on closing *you* must pay *us* the *balance* owing plus any accrued interest charges, other fees or charges and any government charges applicable to the day of closing.

When *you* close *your account* *you* must return to *us* any unused cheques and any cards used to operate the *account* (including any cheques or cards issued to an *authorised operator*). An *account* with cheque access may only be closed once all outstanding cheques written on the *account* have been presented. *We* reserve the right to return any cheques presented for *payment* after the *account* has been closed. Before closing an *account*, *you* should ensure *you* notify anyone who makes *payments* to or from *your account*, and cancel any *regular payments* to or from the *account*.

Part D – Transaction services

25. About the *transaction services*

The *transaction services* are provided directly by us.

To the extent that the *EFT Code* applies to transactions covered by these *terms and conditions*, these *terms and conditions* reflect the requirements of the *EFT Code*. The *EFT Code* is a voluntary *code* that is designed to give you protection in conducting funds transfers through electronic means. The *EFT Code* does not apply to certain *business accounts* (see clause 43 for details).

Cards may usually be used to access any *transaction accounts* to which we have agreed the *card* is linked. The types of electronic transactions that are available using a *card* include ATM withdrawals, transfers, *balance enquiries*, and deposits, EFTPOS *payments* and withdrawals, *Bank@Post*.

Home Banking Services may usually be used to access *transaction accounts* where we have agreed to make such access available to you. The types of transactions that are available using *Home Banking Services* include *BPAY payments* and deposits, Express Line (telephone banking) transfers and online banking transfers and *payments* (including *AnyPay* and *BatchPay payments*).

Transaction accounts are generally *accounts* which permit the types of electronic transactions referred to above.

26. Summary of transaction services

You or an *authorised operator* can access your *account* by using certain *transaction services*, depending on the type of *account* you have with us. These services are:

27. Applying for transaction services

To use the *transaction services* described in Part D you may need to apply to us by such means as we permit from time to time. The forms you need to use accompany this *Product Guide*, and on request can be sent to you in the post or can be collected from any *branch* or your adviser.

We can accept or decline your application at our discretion.

28. How much can you access?

In relation to any *access method*, we may set and vary dollar limits (maximum and minimum) for certain categories of transaction, each transaction within a category, cumulative transactions in a category or combination of categories (either at all or over a specified period of time), or on any other basis we determine.

Without limiting the above we may set dollar limits for:

- Cash withdrawals
- *Home Banking Service* transfers or payments
- All online banking payments including AnyPay and BatchPay to a specified payee or group of payees
- *BPAY* payments, and
- Any other type or types of *Home Banking Service*.

In addition to the above, a limit may be placed on withdrawals made using a transaction service:

- Whether in cash or by cheque or otherwise
- Whether by number or amount or otherwise, and
- Where in relation to a particular period of time or otherwise.

Withdrawals or transfers from *your account* may only be made in a manner permitted by us. New limits for withdrawals may be introduced in the future. The limits may also be subject to change.

Limits applicable to *your account* in respect of each transaction service are set out in this *Product Guide*. These limits are subject to change from time to time.

29. When can you access your account?

The hours during which you can use an *access method* may be varied from time to time without notice.

30. Malfunctions

If an *electronic banking device* malfunctions, alternative manual procedures may be available from the merchant for retail point of sale transactions by using a *card* and signing your authorisation of the transaction.

We are not liable for any loss or inconvenience whatsoever, where *electronic equipment* or an *electronic banking device* does not accept a transaction for any reason.

31. Authorisation

When a *user* uses an *access method*, you authorise us to act on the instructions given or entered.

When a *user* authorises an *EFT transaction* which we accept, we will issue a receipt (which for a *Home Banking Service* transaction may be an electronic receipt) as required by the *EFT Code* (to the extent that it applies to the transaction). However, the transaction may not be processed until the next day on which we process such transactions.

32. Processing of transactions

Transactions will be processed as soon as practicable.

33. Cheques generally

It is important that you read this general information about cheques, and familiarise yourself with your obligations and responsibilities in relation to the conduct of your account.

If you fail to observe your obligations and responsibilities you will not be able to make a claim in relation to any loss or damage that may occur, and you may be required to indemnify us in respect of any loss or damage.

33.1 General information about cheques (excluding bank cheques)

What is a cheque?

A cheque is a written order to a bank to pay a sum of money on demand. Banks provide cheque forms and generally insist on the use of these forms.

Cheque clearing process

In order to provide this convenient facility to you there is a fairly complicated and time consuming process involved, which may take a number of days. You should ask us for an estimate of the time it will take, if you need to know, although the process generally takes three business days.

To help you understand how this works we have set out the process step by step:

- First, you deposit into your account a cheque you have received, then
- We will seek payment of the cheque from the bank on which the cheque is drawn (the two banks could be the same), then
- That bank will pay the proceeds of the cheque to us. Only then will funds from the cheque be cleared and made available to you.

Normally you will not be able to withdraw the value of a cheque you deposit until the cheque is cleared, even though your account may be credited with the proceeds of the cheque. This rule applies even to cheques made payable to "cash".

The process for foreign cheques will generally take thirty business days. Please note, that although you may be able to withdraw funds after this period passes, the process may not be complete and the cheque may still be dishonoured. If the cheque is dishonoured prior to or after the twenty business day period we will reverse the cheque at the applicable exchange rate. If you have withdrawn the funds you will need to pay the applicable funds back to us.

How a cheque may be specially cleared

If *you* want faster clearance of a cheque *you* can ask us for a special clearance. *You* should then ask for an estimate of the time it will take and refer to Part E for the cost involved.

Our charge for a special clearance covers the extra administrative costs involved in making a special clearance request to the bank where the cheque *account* is held (including a possible courier charge).

What is the effect of crossing a cheque?

If *you* cross a cheque *you* are telling a bank not to cash it across the counter. The cheque must be paid to a bank (for example into a customer's *account*). If a bank does cash the cheque in favour of someone who is not the true owner, it may be liable for any loss suffered by the true owner.

Crossing a cheque means drawing across the face of the cheque from top to bottom two parallel lines, with or without the words "not negotiable" between them. A crossing may be added by *you* when *you* make out a cheque or by any *person* who obtains possession of *your* cheque.

What is the meaning of "not negotiable"?

The words "not negotiable" between two parallel lines across the face of a cheque mean that, where the cheque is transferred, the *person* who obtains the cheque has no greater rights than the *person* who transferred it to him or her.

For example, *your* cheque might be stolen and then passed on by the thief to another *person*. That *person* might then obtain payment of the cheque. In this example, if the cheque was crossed and marked "not negotiable", the *person* from whom the cheque was stolen might recover the amount of the cheque from the *person* who obtains payment of the cheque, even though that *person* may not have done anything wrong.

What is the meaning of "account payee only"?

These words on a cheque are a warning to a bank with which the cheque is deposited that the cheque should be paid only to the *person* named in the cheque as *payee*.

If that bank pays a different *person*, it may be liable to the true owner unless the bank acted in good faith and without negligence (for example, by making enquiries and receiving a reasonable explanation). The words "account payee only" do not prevent the transfer of a cheque. However, as a matter of policy, we will not usually accept such cheques into an account other than that of the *payee*.

What is the significance of deleting "or bearer"?

Cheques are generally printed with the words "or bearer" appearing at the end of the line on which *you* put the name of the *person* to be paid.

The words "or bearer" mean that (except in cases where the cheque is crossed and must therefore be collected by a bank) the bank on which the cheque is drawn has authority to pay it to any *person* in possession of it, even if that *person* found it or stole it, unless the bank has reason to suspect that the cheque might have fallen into the wrong hands. We generally require that bearer cheques are endorsed if they are to be paid other than to the named *payee*. If *you* wish to alter this position by making the cheque an "order" cheque, the simplest way is to cross out the words "or bearer" which are printed on the cheque.

If so desired the words "to the order of" may also be inserted before the name of the *payee*, but if this is done the words "or bearer" must still be crossed out.

If a cheque is an "order" cheque then (except in cases where the cheque is crossed and must therefore be collected by a bank) the bank on which the cheque is drawn should only pay it:

- To the named *payee*, or
- To any other *person* to whom the named *payee*, by endorsing the cheque on the reverse side, has ordered it to be paid.

How and when a cheque may be stopped

You may stop *payment* on a cheque *you* have written by notifying *us* before the cheque is paid by *us*. Speed is important. *You* may notify *us* by telephone. Please ensure all *account* signatories are available to authorise the stop. Alternatively *you* may visit any Adelaide Bank *branch* or send written instructions. *You* should identify the cheque clearly to *us* by giving the amount, cheque number, date of the cheque and to whom it is payable.

Reducing the risk of unauthorised alteration

When *you* write a cheque, *you* should take care to reduce the opportunity for forgery or fraud. *You* have a duty to fill out the cheque so as not to mislead *us* or make it easy for someone else to alter *your* cheque.

You should:

- Not leave gaps between the words or figures
- Begin the amount in words as close as possible to the left-hand side
- Begin the amount in figures as close as possible to the dollar sign (\$)
- Never write a cheque in pencil or ink that can be rubbed out
- Never sign a cheque before it is used or filled out, and
- Always write the amount of the cheque in words as well as figures, because words are harder to alter.

Cheques returned unpaid or “dishonoured”

Your cheque may be returned unpaid or “dishonoured” in certain circumstances, such as where:

- There is not enough money in *your account*
- There is some irregularity with *your* cheque, for example if *your* cheque is unsigned, is more than 15 *months* old, is post-dated (i.e. bears a date that has not arrived), or has been materially altered (for example, by a change of the amount originally stated in it) and *you* have not signed the alteration
- *You* have instructed *us* to stop payment of *your* cheque, or
- We have received notice of *your* mental incapacity, or of *your* death (and certain conditions have been met).

If we dishonour *your* cheque it means this cheque will not be paid by *us*.

If a cheque *you* have deposited is dishonoured, we will advise *you* of this. We will reduce the *balance* of *your account* by the amount of the cheque if it has already been credited to *your account*.

Lost or stolen cheques

You must notify *us* as soon as possible of the loss, theft or misuse of *your* cheques. *You* can do this by contacting *us*. If *you* do not do this, *you* take the risk of someone forging *your* signature and drawing cheques on *your account*.

33.2 General information about bank cheques

This clause gives *you* general information about bank cheques. It is general information only.

What is a bank cheque?

The term “bank cheque” describes a cheque which is to be paid by the bank itself, rather than from a customer’s account.

Bank cheques are generally treated by the law in the same manner as ordinary cheques. Although many people regard bank cheques as cash, *you* should be aware that in certain circumstances a bank cheque may not be paid by the bank that issues it. To clarify this position, the banks who are members of the Australian Bankers’ Association have adopted the procedures set out below in relation to bank cheques.

Forged or unauthorised bank cheques

If the signature of an *officer* of a bank is forged or placed on a bank cheque without the bank’s authority, the bank is not legally liable for it.

Bank cheque materially altered

A bank will dishonour a bank cheque which has been fraudulently and materially altered. A bank will cooperate with any holder of a cheque, or a *person* who is about to receive it, who may want to verify that the cheque is a valid bank cheque.

Bank cheque reported stolen or lost

Where a bank is told that a bank cheque is lost or stolen and is satisfied that this is the case, the bank will not honour it if it is presented for payment by a *person* who has no right to it. The bank may provide a replacement bank cheque. The bank may require an indemnity and other documentation in this situation.

Court order restraining payment

A bank must observe an order of a court restraining the bank from paying its bank cheque which is presented for *payment* while the order is in force.

Failure of payment for the issue of a bank cheque

Where a bank has not received payment for issuing a bank cheque to a customer (for example, the customer’s cheque to the bank in payment for the bank cheque is dishonoured), the bank will refuse to pay the bank cheque only if the *person* presenting the bank cheque for payment:

- Has not given value for it (for example, the bank cheque is stolen), or
- Has given value for it but at the time of doing so he or she knew the bank had not been paid for the bank cheque (for example, that the cheque in favour of the bank had been dishonoured).

Again, an indemnity and other documentation may be required in this situation.

34. Rules relating to cheques

34.1 These *terms and conditions* apply to any cheque issued by us to enable you or an *authorised operator* to draw on *your account*.

- Each cheque issued by *us* in connection with *your account* is *our* property and must be immediately returned to *us* on demand.
- If the amount in words on any cheque varies from the amount expressed in figures then the lower amount prevails.
- When *you* draw a cheque on *us* it will, when the cheque is handed to *us*:
 - (i) be taken to be a request by *you* to *us* to withdraw funds from *your account* for the amount shown on the cheque, and
 - (ii) constitute an authority to remit those funds to the *payee* of the cheque or the *payee’s* bank.
- The *person* signing a cheque must initial any alterations, date the cheque on the date when it was signed and complete all details.

- You must take reasonable care in the management of *your* affairs to ensure that:
 - only authorised *persons* sign cheques
 - each cheque is completed properly and with due care so as to prevent unauthorised, stolen, forged or fraudulently altered cheques being presented for payment, and
 - each cheque is properly and correctly accounted for in *your* records.
- If, when checking any cheque or particulars of any cheque, we find on it any irregularity or omission, we may dishonour or stop payment of the cheque on *your* behalf.
- You must keep cheque forms issued to *you* in a safe place and notify us immediately in writing if they are lost or stolen.
- You must notify us immediately if *you* suspect *your* cheque has been forged or fraudulently altered or has been drawn in whole or in part without authority from *you*.
- On receipt of each *statement of account*, *you* should check the entries carefully and promptly notify us if *you* have any cause to suspect that there is any cheque or transaction recorded on the statement that is incorrect or that *you* did not authorise.
- The indemnities contained in clause 50 apply to any loss or damage suffered in relation to the matters referred to in clause 33.

34.2 If you lose, deface or destroy any cheque issued to you or it is stolen or misused then:

- You must notify us of that fact immediately in writing; and
- You must give us any information or documents we reasonably request in relation to that event.

35. Cards

35.1 Cashcard access

You can use a Cashcard to access *your account*.

If *you* request a Cashcard, *you* can use *your* Cashcard and *PIN* to:

- Withdraw funds and (in some cases) check *your account balance* at any Bendigo Bank ATM, or at any other ATM displaying the Cashcard sign
- Purchase goods or withdraw funds (in most cases) at more than 85,000 EFTPOS outlets Australia-wide, and
- Withdraw funds at any Australia Post outlet displaying the *Bank@Post* symbol.

Please be aware that *your card* is magnetically encoded. If the *card* is exposed to a strong magnetic field or comes into contact with a plastic security access card, the encoded information may be destroyed. The *card* may then be unusable as an *electronic banking device*.

35.2 Applying for a card

You may apply for a *card* or request us to issue a *card* to an *authorised operator* by such means as we permit from time to time. We may accept or decline any such application or request at *our* discretion.

Each *authorised operator* who has been issued a *card* must use their *card* on the same *terms and conditions* as apply to *you*. You should refer to clause 17 for more details in relation to *authorised operators*.

35.3 Receiving a card

When a *user's* application for a *card* is approved we will advise the *users* of their *PIN* and:

- Where to collect the *card* in which case the *user* must attend at that place to collect the *card* and sign an acknowledgement of receipt of the *card*, or
- Subsequently send the *card* to the *user* by post.

You should refer to clause 42 of this *Product Guide* in relation to *our* requirements for the security of *your PIN*.

Forgotten <i>your PIN</i> ?	If <i>you</i> forget <i>your PIN</i> you can contact us with proof of <i>your</i> identity and we will arrange for a new <i>PIN</i> to be issued within a few days

35.4 Using a card for purchases

You can use *your card* to access *your account* to pay for goods and services, and even withdraw cash at some locations. *Your PIN* is used to authorise transactions on *your account*. You can normally use a *card* to obtain goods and services at merchants (such as shops, restaurants and theatres) in Australia.

EFTPOS simply transfers the value approved by you from *your selected account* into the account held by the merchant.

Where a transaction that would otherwise be a *purchase* is processed via an EFTPOS facility you will be able to select the appropriate “CHQ” or “SAV” button and then *your account* (or for a linked account, the account you have nominated to us as being linked to that button) will be debited and the transaction will be treated as a cash withdrawal from the relevant account.

The fact that the EFTPOS symbol is displayed at a merchant’s premises does not mean that we guarantee that any or all goods and services available there may be obtained using a *card*. We are not responsible if a merchant refuses to accept the *card*, does not allow cash withdrawals or places other limitations on using the *card*.

We have no control over the hours a merchant may be open for business. The hours during which a terminal will be available may therefore vary in accordance with the merchant’s opening hours. We are not responsible for goods or services obtained by using a *card*, unless the law makes us liable. Therefore, if you have any complaints about goods or services you must take them up with the merchant.

35.5 Authorising a payment

It is *your* responsibility to check that the correct amount is entered in a terminal or written in the “total” box on a voucher or appears on any other record of a transaction before you authorise the transaction or sign the voucher. Some transactions also need authorisation from us. We may choose not to authorise a proposed transaction.

35.6 Sales vouchers

You agree that any request by a *user* to a *person* authorised to display or use the Cashcard sign for the supply of goods or services is authority for such *person* to issue a sales voucher for the amount shown on the face of the voucher.

You agree that the amounts shown on each sales voucher are sufficient evidence of the cash price of the goods and services to which the voucher relates (whether or not the voucher is signed by you). We do not have to forward to you copies of sales vouchers for transactions effected by use of a *card*.

35.7 Using a card to obtain cash

To withdraw cash from *your account* at a *branch*, simply present *your card* at the counter. You may be asked to show suitable identification such as a photographic driver’s licence or passport to identify that you are the authorised holder of the *card*. If you do not have *your card*, you may still be able to withdraw cash from *your account* at a *branch*, subject to producing suitable identification and any other requirements that we wish to impose. The amount of cash you can withdraw from a *branch* is subject to the amount of cleared funds in the *account*.

If you want to withdraw more than \$5,000 from a *branch* you will need to give us notice of at least 24 hours prior to the withdrawal.

You may, subject to available funds in *your account*, obtain cash from an *account* up to the withdrawal limit set for the *account* by using a *card* in combination with *your PIN* at any of our *electronic banking devices* or any *electronic banking devices* of any other institution displaying the relevant symbol. Some merchants who have an *electronic banking device* may also allow you to withdraw cash from an *account* at the same time as you pay for goods and services.

You can withdraw cash from an *account* with us using *Bank@Post*. You may be asked to enter *your pin* into an *electronic banking device* to make a *Bank@Post* transaction.

The amount of cash you can obtain using a *card* may vary depending on where you use the card.

Withdrawals made using ATMs, via EFTPOS and through *Bank@Post* are currently subject to a combined daily withdrawal limit of \$1,000.

The cash withdrawn from an *electronic banking device* will be in the denominations that the *electronic banking device* allows. When the money comes out of the *electronic banking device* it is at *your risk* and we are not responsible if it is lost or stolen. We do not warrant that an *electronic banking device* will always have money available. Other financial institutions can determine from time to time what transactions can be carried out at their *electronic banking devices*. We may charge you a fee for using our *electronic banking device* or someone else’s *electronic banking device*. Please refer to clause 52 for the fees and charges applicable to *your account*. You must not put any matter or substance of an explosive, dangerous, damaging or offensive nature in an *electronic banking device*.

35.8 Refunds

Your account will only be credited with a refund for a *card* transaction if we receive a refund voucher or other refund verification acceptable to us. A refund due to you will be applied to *your account* as if the refund were a payment. Please note that this sub-clause applies to refunds only and does not apply to any readjustment of the balance of an *account* as a result of an unauthorised transaction where you are not liable. Please refer to Part D of this *Product Guide* for those readjustments.

35.9 Use of a card

For the purposes of these *card terms and conditions* “use” in relation to a *card* includes any physical use of the *card* (such as in an ATM) and any notification of use of the *card* number or any identifying number issued by *us* in relation to the *card* or an *account*.

35.10 Cancellation, return, loss and misuse of cards

We may at *our* option or at *your* request suspend or cancel the use of a *card* or retain a *card* presented to *us* or any other person.

A *card* issued in respect of an *account* must not be used after the *account* is closed or after the use of the *card* has been suspended or cancelled, and must be immediately returned as soon as we advise *you* the *account* is closed or the *card* use has been suspended or cancelled or *you* request that the *account* be closed or the *card* use be suspended or cancelled.

35.11 Return of cards

Each *card* issued by *us* is *our* property and must be immediately returned to *us* on demand. *You* should refer to clause 17.8 of this *Product Guide* for details of what *you* must do if *you* are unable to return to *us* a *card* issued to an *authorised operator*.

35.12 Lost, stolen, misused or unauthorised use of cards

It is vitally important for *you* to contact *us* as soon as possible if:

- A *card* is lost or stolen, or
- Someone has fraudulently placed a telephone, internet or direct mail order against *your card*, or
- *You* suspect that a *PIN* is known to someone else or *you* suspect any unauthorised telephone, internet or mail use of an *account* or other type of unauthorised use involving a *card*.

Immediate notification may prevent an unauthorised person from using *your card*. If *you* do not tell *us* that *your card* has gone missing or if *you* disclose the *PIN* to someone else or leave a record of it with *your card* or act with carelessness in failing to protect *PIN* security, *you* may be liable for the bill arising from an unauthorised use of *your account*. For this reason, it is extremely important that *you* do not leave a record of *your PIN* either with *your card* or in a place where it can be easily found. However, *you* are not liable for losses resulting from an unauthorised transaction if that transaction took place after *you* notified *us* of the loss or theft of *your card* or where a *card* and *PIN* are used if it is clear that *you* did not contribute to such losses.

You should refer to clause 42 of this *Product Guide* for *our* requirements for the security of *your PIN* and other *codes* and in relation to *your* liability.

You will need to give *us* all relevant information *you* may have, so that we can suspend *card* access to the *account* and linked *accounts*. *You* may be required to confirm in writing any notice *you* give *us* by telephone. When *you* report the matter *you* may be given a notification number (or other form of acknowledgment). *You* should retain that number as confirmation of the date and time of *your* report.

If *you* recover a *card* that has been reported lost or stolen, the *card* must not be used again. Instead *you* should report the recovery to *us*. The *card* should then be cut in half and sent to *us* by security post.

36. Home Banking Services (including BPAY)

36.1 Applying for Home Banking Services

You may apply for access to *your account* for *you* or an *authorised operator* using *Home Banking Services* by such means as we permit from time to time. The *Home Banking Services* available to *you* will be determined by *us* from time to time.

Each *authorised operator* who has *Home Banking Service* access must use the *Home Banking Services* on the same *terms and conditions* as apply to *you*. *You* should refer to clause 17 of this *Product Guide* for more details in relation to *authorised operators*.

Contact *us* or *your* adviser to apply to access *your account* via any or all of *our Home Banking Services*.

We may accept or decline any such application at *our* discretion.

Some *Home Banking Services* may not be available where more than one signature is needed to operate *your account*.

Customers using online banking are encouraged to take all reasonable steps to protect the security of their computer by ensuring that it is free from viruses and/or any form of program or mechanism capable of recording personal information.

36.2 Personal Access Code (PAC)

Things to remember about <i>your</i> PAC	
Lost, stolen or misused PAC or PAC disclosed to another <i>person</i>	If <i>you</i> or an <i>authorised operator</i> lose <i>your</i> PAC or have any reason to believe that it has been lost, stolen, misused or disclosed to another <i>person</i> , <i>you</i> or the relevant <i>authorised operator</i> must notify <i>us</i> immediately either in writing, in <i>person</i> at a <i>branch</i> , or by telephone (in which case written confirmation will be required) and must give <i>us</i> any information or documents we reasonably require in relation to that event.
Forgotten <i>your</i> PAC?	If <i>you</i> or an <i>authorised operator</i> forget <i>your</i> PAC, <i>you</i> or the relevant <i>authorised operator</i> can contact <i>us</i> with proof of <i>your</i> identity and we will arrange for a new PAC to be issued within a couple of days.

Where a new PAC is requested, or we reissue or change a PAC (which we may do at any time by notifying *you*), then we may post or deliver the PAC to the *user* or require the *user* to collect it.

When an application for access to an *account* via a *Home Banking Service* is approved, we will advise the *user* of the PAC, and whether the *user* may use the PAC for any or all other *Home Banking Services*.

You should refer to clause 42 for more information on the security of *your* PAC.

36.3 Use of Home Banking Services

Using their customer number, PAC and a telephone, a *user* can access Express Line 24 hours a day, 7 days a week to:

- Verify the balance of *your* *accounts*
- Pay bills using BPAY
- Transfer funds between *your* *accounts* with *us*
- Review *your* last transactions
- Reconcile *your* records with *your* *account* *balances*, *your* transactions and the amount of credit and debit interest for the financial year
- Transaction records
- Make *payments* to other bank accounts by using AnyPay or send multiple payments (for example, by using BatchPay)
- Download/export *your* transaction data into other formats if needed
- Order *your* Adelaide Bank cheque and deposit books when required.

Online banking should only be accessed through *our* homepage at adelaidebank.com.au. Failure to check this may cause *you* loss.

We do not have to accept any *Home Banking Service* instruction given to *us* and we do not have to notify a *user* if we have not accepted such an instruction.

We will make reasonable efforts to ensure that any request made through a *Home Banking Service* is dealt with promptly.

Except as provided in clause 37.8 we are under no obligation to notify *you* or an *authorised operator* if any *Home Banking Service* payment is successful or unsuccessful. However, this sub-clause does not limit *our* obligation to provide a receipt where this is required by the *EFT Code*.

You must ensure that *your* *account* from which a transfer or payment is to be made has sufficient available funds to enable the transaction to be performed by *us*.

Where we have instructions for more than one transfer or *payment* from *your* *account* we may determine the order of priority in which transfers or *payments* from *your* *account* are made.

36.4 Misuse or unauthorised use of Home Banking Services

We will accept and act on *Home Banking Service* instructions where a person or persons enter or quote:

- A *user's* customer number or, if required by *us*, a combination of customer numbers, and
- The appropriate PAC (whether or not disguised using an alphabetical security coding as notified by *us* to the *person* at the time) or, if required by *us*, a combination of PACs (whether or not so disguised).

Subject to any contrary *terms and conditions* in this *Product Guide*, any transfer or payment of funds made in the circumstances described in this sub-clause will be valid and constitute a permissible debit to the relevant *account*.

36.5 Suspension or cancellation of Home Banking Services

We may suspend or cancel a *user's* PAC or access to any or all *Home Banking Services* at any time without notice. We will cancel an *authorised operator's* access to any *Home Banking Service* on receipt of a written request by *you*. In the case of suspension, we may reinstate a *user's* PAC at any time without notice. We may also require the *user* to contact *us* before we reinstate a PAC or access, but we are not obliged to do this.

37. BPAY and our online banking payment service

BPAY enables customers to transfer *payments* to other parties via a central interbank processing system as cleared effects.

We are a member of BPAY.

With BPAY *payments*, *you* can (subject to any restrictions we impose) have 24 hour 7 day access through *Home Banking Services* or any other electronic means that we permit and a *biller* accepts to pay bills and get a receipt.

We are a *biller*. You may also be able to transfer funds from an account you have at another financial institution which is a member of *BPAY*, to an account with us, through *BPAY*.

We will tell you if we are no longer a member of *BPAY*. Our *online banking payment service* is our internet payment service including AnyPay and BatchPay. AnyPay allows an AnyPay user to debit their account and credit monies to another bank account. BatchPay allows holders of *business accounts* and other approved applicants to make multiple payments to registered recipient accounts held with various financial institutions with only one debit being made from the nominated account.

37.1 Access to online banking payment service

Before we agree to allow you access to the *online banking payment service* for any payee we may require you to make an application to us regarding that payee in the form and containing such information as we require. We are under no obligation to agree to any or all payees nominated in any such application and we may make available payees who are not listed in any such application. We may suspend or terminate access to any payee at any time without notice.

We are under no obligation to check or confirm the identity of payees or other information provided about them (including their account number for receipt of payments).

You should note that if funds are sent to an incorrectly quoted account number then it may not be possible to retrieve those funds.

37.2 Information needed to use BPAY

When you tell us to make a *BPAY payment*, you must give us the following information:

- The *biller code* which is located on the bill you wish to pay
- Your customer reference number with the *biller*
- How much you want to pay
- Any other additional information we may require.

Once this information is received, we will debit your account with the amount of the *BPAY payment* as set out in clause 37.3.

You acknowledge that we are not obliged to effect a *BPAY payment* if we do not receive this information or the information is inaccurate.

37.3 When will a BPAY payment or online banking payment be received

- You may authorise a *BPAY payment* or an *online banking payment* from your account:
 - (i) with the funds to be drawn immediately in which case your account will be debited immediately; or

- (ii) through online banking, with the funds to be drawn on a future specified date in which case your account will be debited on that future date. If that future date is not a *business day*:

- the funds will be debited on the *business day* immediately preceding the nominated future date; or
- if, after the date of authorisation and before the nominated future date there is no *business day*, the funds will be debited on the next *business day* after the nominated future date.
- For an *online banking payment*, regardless of the effective date (as determined by the *terms and conditions* of the account) on which you authorise funds to be drawn from an account, if:
 - (i) the day on which funds are drawn is a *business day* and the authorisation is completed:
 - before 4.00 pm in Adelaide, South Australia then the payment to the payee will generally be received by the payee on the next day that the Bulk Electronic Clearing System (BECS) is operating in the State or Territory where the payee's account is located;
 - after 4.00 pm and before midnight in Adelaide, South Australia then the payee's account will generally receive the payment one *business day* later than if the authorisation had been completed before 4.00 pm – more precisely, the payee's account will generally receive the payment on the first day that BECS is operating in the State or Territory where the payee's account is located occurring immediately after the first *business day* after the calendar day on which funds are drawn;
 - (ii) funds are to be drawn immediately and that day is not a *business day* then the payee's account will generally receive the payment on the first day that BECS is operating in the State or Territory where the payee's account is located occurring immediately after the first *business day* after the day on which funds are drawn;
 - (iii) funds are to be drawn on a future date and that future date is not a *business day*, then the payee's account will generally receive the payment on the first day that BECS is operating in the State or Territory where the payee's account is located occurring immediately after the date of the debit under clause 37.3.
- For a *BPAY payment*, regardless of the effective date (as determined by the *terms and conditions* of the account) on which you authorise funds to be drawn from your account and subject to the fact that a payment may take longer to be credited to a *biller* if you tell us to make the payment on a Saturday, Sunday or public holiday, or if another participant in *BPAY* does not process a payment as soon as they receive its details, if:
 - (i) the day on which funds are drawn is a *BPAY day* and the authorisation is completed:

- before 4.00 pm in Adelaide, South Australia then the biller has agreed that the *payment* will be treated as received by the biller on that day;
- after 4.00 pm and before midnight in Adelaide, South Australia then the *biller* has agreed that the payment will be treated as received by the biller on the next day that is a *BPAY day*;
- (ii) funds are to be drawn immediately and that day is not a *BPAY day*, then the biller has agreed that the *payment* will be treated as received by the biller on the next day that is a *BPAY day*;
- (iii) funds are to be drawn on a future date and that future date is not a *BPAY day*, then the payment will generally be treated as received by the biller on the first *BPAY day* occurring on or after the date of the debit under subclause 37.3(ii).

37.4 *BPAY payments may be delayed*

A delay may occur in processing a *BPAY payment* where:

- There is a public or bank holiday on the day after you tell us to make a *BPAY payment*
- You tell us to make a *BPAY payment* on a day which is not a *BPAY day*
- You tell us to make a *BPAY payment* after 4.00 pm in Adelaide, South Australia on a *BPAY day*
- Another financial institution participating in *BPAY* does not comply with its *BPAY* obligations, or if
- A biller fails to comply with its *BPAY* obligations.

While it is expected that any delay in processing of a *BPAY payment* for any reason set out in this sub-clause will not continue for more than one *BPAY day*, any such delay may continue for a longer period.

We will attempt to make sure that your *BPAY payments* are processed promptly by participants in *BPAY*.

37.5 Variation of *BPAY* and online banking payment instructions

Any *online banking payment* service or *BPAY* instruction for funds to be drawn on a future date may be varied or revoked by any *person* who has complied with clause 36.4 where the new instruction is given and received by us prior to the *account* being debited. Payments cannot be edited after 11.30am (CST) on the *payment date*. We will act on such new instruction as if it had been given by you. Otherwise, once we are instructed to make such a *payment*, we will not accept instructions to stop or vary an *online banking payment* or *BPAY payment* or to withdraw or vary an instruction to make such a *payment*.

37.6 Errors in your *BPAY payment* instructions to us

- You should notify us immediately if you become aware that you may have made a mistake (except when you make an underpayment – for those errors see next paragraph) when instructing us to make a *BPAY payment*, or if you did not authorise a *BPAY payment*

that has been made from *your account*. Clause 38 describes when and how we will arrange for such a *BPAY payment* to be refunded to you.

- You must be careful to ensure that you tell us the correct amount you wish to pay. If you instruct us to make a *BPAY payment* and you discover later that the amount you told us to pay was less than the amount you needed to pay, you can make another *BPAY payment* for the difference between the amount actually paid to a *biller* and the amount you needed to pay.

37.7 No authorisation

You are not authorised to give a *biller code* to any person in order to receive *payments* of any amount owing to you. *Biller codes* may only be used by the authorised *biller* to receive payment of bills issued by that *biller*. The *terms and conditions* of the use of *BPAY* will not apply to any use by you of *biller codes* in this way.

37.8 Other important points about *BPAY*

- If we are advised that your *BPAY payment* cannot be processed by a *biller* we will advise you of this, credit the relevant *account* with the amount of the *BPAY payment* and take all reasonable steps to assist you in making the *BPAY payment* as quickly as possible.
- You acknowledge that the receipt by a *biller* of a mistaken or erroneous *BPAY payment* does not or will not constitute under any circumstances part or whole satisfaction of an underlying debt owed between you and that *biller*.
- You should check your *account* records carefully and must promptly notify us as soon as you become aware of an unauthorised or erroneous *BPAY payment*, any mistake or delay in processing a *BPAY payment* or the possibility that you have been fraudulently induced to make a *BPAY payment*.

37.9 Suspension and termination of access to *BPAY*

We may suspend your right to participate in *BPAY* at any time where we have suspended or cancelled your *PAC* or your access to any *Home Banking Service* or if you or someone acting on your behalf is suspected of being fraudulent.

37.10 Privacy and *BPAY*

You agree to us disclosing to *billers* nominated by you and if necessary the entity operating *BPAY* (*BPAY Pty Ltd*) or any other participant in *BPAY* and any agent appointed by any of them from time to time, including Cardlink Services Limited, that provides the electronic systems needed to implement *BPAY*:

- Such of your personal information (for example your name, email address and the fact that you are our customer) as is necessary to facilitate your registration for or use of *BPAY*, and

- Such of *your* transactional information as is necessary to process *your* *BPAY* payments. *Your* *BPAY* payments information will be disclosed by *BPAY* Pty Ltd through its agent to the biller's financial institution.

If *your* personal information detailed above is not disclosed to *BPAY* Pty Ltd or its agent, it will not be possible to process *your* requested *BPAY* payment.

You must notify *us* if any of *your* personal information changes. *You* consent to *us* disclosing *your* updated personal information to all other participants in *BPAY* referred to in this clause as necessary.

37.11 How to access *your* personal information

38. Liability and indemnity *BPAY*

This clause sets out information about liability and *BPAY*. *You* should also refer to clauses 46, 47, 48 and 49 for further information about liability.

38.1 Limitation of *your* liability if *EFT Code* applies

If *you* are liable under this clause 38 for an unauthorised or fraudulent payment made on or after 1 April 2002 and the *EFT Code* applies, then *your* liability will not exceed the amount determined according to clause 47.

In these circumstances *we* will be liable to *you* for the difference between the amount for which *you* are otherwise liable and the amount of the unauthorised or fraudulent payment.

This clause 38 also applies if *your* *account* is a *business* *account*.

38.2 Mistaken payments, unauthorised transactions and fraud

We will attempt to make sure that *your* *BPAY* payments are processed promptly by the participants in *BPAY*, including those *billers* to whom *your* *BPAY* payments are to be made. *You* must tell *us* promptly if:

- *You* become aware of any delays or mistakes in processing *your* *BPAY* payment
- *You* did not authorise a *BPAY* payment that has been made from *your* *account*, or
- *You* think that *you* have been fraudulently induced to make a *BPAY* payment.

We will attempt to rectify any such matters in relation to *your* *BPAY* payment in the way described in this clause. However, except as set out in this clause 38, *we* will not be liable for any loss or damage *you* suffer as a result of using *BPAY*. The longer the delay between when *you* tell *us* of the error and the date of *your* *BPAY* payment, the more difficult it may be to perform the error correction. For example, *we* or *your* biller may not have sufficient records or information available to *us* to investigate the error. If this is the case, *you* may need to demonstrate that an error has occurred, based on *your* own records, or liaise directly with the biller to correct the error.

38.3 Mistaken payments

If a *BPAY* payment is made to a *person* or for an amount which is not in accordance with *your* instructions (if any), and *your* *account* was debited for the amount of that payment, *we* will credit that amount to *your* *account*. However, *you* must pay *us* that amount if *you* were responsible for a mistake resulting in that payment and *we* cannot recover the amount of that payment from the *person* who received it within twenty *BPAY* days of *us* attempting to do so.

38.4 Unauthorised payments

If a *BPAY* payment is made in accordance with a payment direction which appeared to *us* to be from *you* or on *your* behalf but for which *you* did not give authority, *we* will credit *your* *account* with the amount of that unauthorised payment. However, *you* must pay *us* the amount of that unauthorised payment if the payment was made as a result of a payment direction which did not comply with *our* prescribed security procedures for such payment directions and *we* cannot recover within twenty *BPAY* days of *us* attempting to do so that amount from the *person* who received it.

38.5 Fraudulent payments

If a *BPAY* payment is induced by the fraud of a *person* involved in *BPAY*, then that *person* should refund *you* the amount of the fraud-induced payment. However, if that *person* does not refund *you* the amount of the fraud-induced payment, *you* must bear the loss unless some *person* involved in *BPAY* knew of the fraud or would have detected it with reasonable diligence, in which case that *person* must refund *you* the amount of the fraud-induced payment.

38.6 Resolution principles

If a *BPAY* payment *you* have made falls within the type described in clause 38.4 and either 38.3 or 38.5, then *we* will apply the principles stated in clause 38.4.

If a *BPAY* payment *you* have made falls within both types described in clause 38.3 and 38.5 then *we* will apply the principles stated in clause 38.5.

38.7 Information we need about unauthorised BPAY payments

If you tell us that a BPAY payment made from your account is unauthorised, you must give us your written consent addressed to the biller who received that BPAY payment, agreeing to us obtaining from the biller information about your account with that biller or the BPAY payment, including your customer reference number and such information as we reasonably require to investigate the BPAY payment. If you do not give us that consent, the biller may not be permitted under law to disclose to us the information we need to investigate or rectify that BPAY payment.

38.8 Indemnity – BPAY

You indemnify us against any loss or damage we may suffer due to any claim, demand, or action of any kind brought against us arising directly or indirectly because you:

- Did not observe any of the user's obligations under the terms and conditions dealing with the use of BPAY and BPAY payments, or
- Acted negligently or fraudulently in connection with the agreement relating to the use of BPAY and making BPAY payments constituted by these terms and conditions.

38.9 Consequential damage – BPAY

This sub-clause does not apply to the extent that it is inconsistent with or contrary to any applicable law or code of practice to which we have subscribed. If those laws or that code would make this sub-clause illegal, void or unenforceable or impose an obligation or liability which is prohibited by those laws or that code, this sub-clause is to be read as if it were varied to the extent necessary to comply with those laws or that code or, if necessary, omitted.

We are not liable for any consequential loss or damage you suffer as a result of using BPAY, other than due to any loss or damage you suffer due to our negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

DIRECT DEBIT REQUEST SERVICE AGREEMENT

39.1. Types of regular payments

Auto payment plan	Allows you to establish automatic transfers of a fixed amount from an account held with another financial institution to your account. This service is free of bank charges from us. Automatic deduction	Allows you to establish automatic transfers of a fixed amount between your Adelaide Bank accounts.
Periodical payment	Allows you to establish automatic transfers of a fixed amount from your CMA to your accounts with other financial institutions.

The direct debit account you wish to make deductions from must be one that has funds available "at call". You should note that regular payments may not be available on all accounts. If in doubt, please refer to the ledger financial institution.

Please note that you will be unable to access the amount of a regular payment we make for you from a direct debit account for three business days from the payment date.

We may, subject to any restrictions on the operation of the account, accept an instruction relating to regular payments from an authorised operator. Any such instruction is subject to these terms and conditions as if the instruction had been given by you. You should refer to clause 17 for more information about authorised operators.

39.2 Fixed amount payment option

For all regular payments you can choose to have a fixed amount transferred weekly, fortnightly or monthly. The deduction amount will be the amount nominated by you and will be deducted at the frequency nominated by you. Auto payment plan and periodical payment have the extra flexibility of quarterly, half-yearly or yearly deductions.

39.3 General terms applying to *regular payments* and third party direct debits

For the purpose of this clause *you* can contact *us* by:

- Post to Payment Systems, 1st Floor, 169 Pirie Street, Adelaide, SA, 5000, or
- Fax on (08) 8300 6661.

Any complaint that *you* have in relation to an unauthorised or otherwise *irregular payment* can be made by contacting *us* using the above options.

39.4 Applications

You may apply for a *regular payment* by filling out a *Regular Payments Application Form* and returning it to *us*.

Application forms can be sent to *you* in the post or can be collected from any *branch*.

We can only begin to make a *regular payment* once *we* have processed *your* application.

Applications for a *regular payment* can take up to and including 5 *business days* to process. If a payment is due during this period, *you* will need to arrange an alternative method of *payment*.

Once *you* authorise *us*, *we* will arrange for the agreed amount to be debited from the nominated *direct debit account* and paid in accordance with *your* request.

39.5 Sufficient funds must be available

For an automatic deduction or a periodical payment, *you* must agree to have a minimum *available balance* or *available credit* in *your direct debit account* from which the *regular payment* is to be made. The minimum *available balance* or *available credit* must be equal to the deduction amount plus charges not posted to the *direct debit account* plus any minimum *balance* required to be maintained in the *direct debit account*. This amount must be held in the *direct debit account* by 5.00pm on the *banking day* immediately preceding the day on which the deduction is to occur and *you* must retain such minimum *balance* in *your direct debit account* until the deduction has occurred.

39.6 The *payment date*

For an auto payment plan, where the *payment date* is the 29th, 30th or 31st day of a *month*, in a *month* that does not contain these days, then *we* will make the *payment* or transfer on the first day of the next *month*. Where the *payment date* is not a *banking day* or if some financial institutions are not open for business on that day, then *we* will make the *payment* or transfer on the next *banking day* or when the financial institution is next open for business. For further information about when an automatic deduction will be debited to the *account*, *you* should contact the *ledger financial institution*.

For an automatic deduction and a periodical payment, where the day of deduction is not a *banking day* your deduction will occur on the preceding *banking day*.

39.7 Debiting *your account*

For an auto *payment plan*, *you* authorise the *ledger financial institution* to debit the *direct debit account* with any amounts that *we* may debit or charge *you* through the *direct debit system*. Information in relation to *you*, *your account* and the *regular payment* may be disclosed by *us* to the *ledger financial institution* in connection with a claim relating to a *regular payment*. Information in relation to *your direct debit account* may be disclosed by the *ledger financial institution* to *us* in connection with a claim in relation to a *regular payment*.

For an auto payment plan, *you* authorise *us* on the *payment date* (or other day as determined under clause 39.6 to debit the *direct debit account* with an amount calculated in accordance with the nominated *payment amount*.

39.8 Deductions

All *regular payments* *we* make for *you* either from or to *your account* or *direct debit account* are treated as *payments* to *you* or by *you*.

39.9 Deduction amount may be changed by *us*

Where the *direct debit account* is with another financial institution, *we* may change the deduction amount through the *direct debit system*.

39.10 Stopping or cancelling *your regular payments*

When *you* have authorised *us* to make a *regular payment* either from or to *your account* or *direct debit account* and *you* want to cancel the *regular payment*, *you* must advise *us* in writing at least 2 *business days* prior to the next *payment date*.

You should direct all requests to stop, cancel, defer or vary a *regular payment* and all disputes to *us*. *We* also suggest that the same instruction is made in writing to the *payee*.

Cancellation will only take effect when *we* have processed *your* request. *We* will promptly process *your* request.

39.11 Changing *your regular payments*

You may change a *regular payment* by filling in a new application form which can be sent to *you* in the post.

Any signature restrictions on *your account* may apply to the authorisation of a *regular payment*. After *we* have received the application form, *we* require 2 *business days* to process the change. *You* must advise *us* in writing of the change at least 2 *business days* prior to the next *payment date*.

We will provide *you* with at least 14 days' notice if *we* intend to vary *terms and conditions* of the direct debit request service agreement.

39.12 Terminating your regular payment

Any arrangement in relation to a *regular payment* will be terminated without notice to *you* if we decide, or the *payee* advises us, that no further payment is required.

We may at our discretion terminate any arrangement relating to a future *regular payment* at any time by notice in writing to *you*.

A request for a *regular payment* will remain effective for the protection of us in respect of *regular payments* made in good faith notwithstanding your death, bankruptcy, insolvency or revocation of any request for the *regular payment*. If we receive written notice that you have died or become bankrupt or insolvent or revoke your request, the *regular payment* will be cancelled once the notice is processed. This provision does not apply to a direct debit request.

39.13 Fees for regular payments

We may charge you a fee for effecting *regular payments*. For a direct debit request and an auto payment plan, we may also charge you a fee if a direct debit or automatic deduction is returned unpaid by the *ledger financial institution*. Please refer to Part E for details of fees and charges that apply to *regular payments*.

39.14 Ensuring accuracy of regular payments

To ensure accuracy for an auto payment plan, you should confirm *direct debit account* details by reference to a recent *account* statement issued by the *ledger financial institution*.

Before you arrange a *regular payment* to someone else check that they are able to receive the *regular payment* and that you are able to make a *regular payment* from your *account* with us.

39.15 Order of priority of payments

For an auto payment plan, the *ledger financial institution* may in its absolute discretion conclusively determine the order of priority of payment by it of any moneys, pursuant to this or any other authority or withdrawal request which you have given or may give to the *ledger financial institution* in relation to your *direct debit account*.

For an automatic deduction and a periodical *payment*, we may at our absolute discretion conclusively determine the order of priority of payment by us of any moneys, pursuant to this or any other authority or withdrawal request which you have given or may give to us in relation to your *account*.

39.16 Liability for loss

For all *regular payments* we are not responsible or liable for any loss or damage suffered by you or anyone else if a *regular payment* is not made, is late, or is not made in accordance with instructions.

39.17 Inconsistency

For a periodical payment and an automatic deduction, where there is an inconsistency between these conditions and the *terms and conditions* on any application form or other document(s) in relation to a *direct debit account* the *terms and conditions* on that application form or other document will prevail.

For the purposes of this sub-clause, "conditions" means the *terms and conditions* in this *Product Guide* as amended from time to time or any *terms and conditions* adopted in substitution and where the context permits includes all other conditions (including any conditions appearing on an application form) relating to a direct debit request authority and an automatic deduction authority.

39.18 What are third party direct debits?

Third party direct debits allow you to arrange with a third party (such as your health fund) for that third party to debit amounts directly from your *account* on your behalf. You will need to apply to the third party to arrange a third party direct debit, and this arrangement is between you and the third party.

39.19 Third party direct debits

All third party direct debits made from your *account* are treated as *payments* by you. Before you arrange a third party direct debit you must check that you are able to make the direct debit from your *account* held with us. When arranging a third party direct debit, you should also ensure your *account* details are correct by reference to a recent *account statement* issued by us.

A third party direct debit can be made provided there are sufficient funds in your *account*. We may charge you a fee for processing a third party direct debit. Such fee will be deducted from the *account* from which the debit is made at or after the time the debit is made. In the case of you having insufficient funds in your *account*, we may dishonour the third party direct debit and you may incur a fee. Please refer to Part E for details of the fees and charges that apply to third party direct debits.

You must check your *account statement* and notify us as soon as possible if you think that an amount debited to your *account* by a third party was unauthorised or incorrect. Any complaint that you have in relation to an unauthorised or otherwise *irregular* third party direct debit can be made by contacting us. We will promptly process your request. You should also contact the relevant third party in relation to any disputed amounts.

You may cancel a third party direct debit at any time by giving written notice to us.

You must advise us in writing at least 2 *business days* prior to the next *payment date* to ensure your next *payment* is not processed. Cancellation is not effective until we have processed your request. We also suggest that the same instruction be made in writing to the third party.

You should be aware that there is a risk that the third party may continue to debit amounts from *your account* even after you have cancelled the third party direct debit.

Without limiting any other provision in these *terms and conditions*, if you arrange a third party direct debit you agree to indemnify and release us from all liability which we may incur if a third party direct debit is not made, a third party direct debit is made late or is not made in accordance with *your* instructions or a cancellation request is given too late to enable a third party direct debit to be cancelled.

You authorise us to debit *your account* with the amount of the indemnity. This indemnity and release will not apply to the extent that the liability is caused or contributed by fraud, wilful default or a negligent act or omission on *our* part.

We may at *our* absolute discretion conclusively determine the order of priority of payment by us of any moneys pursuant to any third party direct debit authority given by you in relation to *your account*.

40. Deposits

40.1 Where are deposits accepted?

Deposits of cash and cheques may be made at:

- A branch
- Some of *our* electronic banking devices, and
- Post offices displaying the *Bank@Post* symbol using *your* Cashcard.

Other parties may also make a deposit to *your account* via various electronic and other means available to them. When advising another party to credit *your account* you will need to provide them with *our* BSB number (610101) and *your* direct debit/credit number (as shown on *your statement of account*).

40.2 Deposits into *your account*

Cheques deposited to *your account* are not available to be drawn against until the funds have been cleared and paid. Except as otherwise stated in these *terms and conditions*, we can apply a deposit made to *your account* in any way we choose. If you wish to dispute the amount of a cash or cheque deposit recorded into *your account*, contact us with *your* deposit receipt. We will make any necessary adjustments to the *account* once we have verified the amount that was deposited. You must pay in Australian dollars in Australia (it is not possible to make payments overseas).

For an *EFT transaction* which is a deposit of cash or a cheque into an *account* such deposit is subject to receipt and subsequent verification by us and where there is a discrepancy between the amount recorded by the *electronic equipment* or *access method* as having been deposited and the amount recorded by us as having been received, you will be notified of the difference as soon as possible and will be advised of the actual amount which has been credited to the nominated *account*. The security

of deposits received at *our equipment* is *our* responsibility from the time the *EFT transaction* at *our equipment* is completed (subject to verification of the amount(s) deposited).

40.3 Lost deposits

We are not liable for the loss or theft of any cheque, payment order, bill of exchange or bank draft deposited with us (whether as a result of *our* negligence or otherwise).

We reserve the right to recover the amount of any such cheque, payment order, bill of exchange or bank draft by debiting *your account* to which the amount of the cheque, payment order, bill of exchange or bank draft had been credited.

41. Safeguarding payment instruments

You should safeguard payment instruments such as cards, cheques and bank cheques. Subject to clauses 35.10, 35.11, 35.12 and 47 you will be liable for all transactions arising from the use of a payment instrument until you have advised us of its loss, theft or misuse. If any of the above payment instruments are lost, stolen or misused, you should contact us immediately.

For circumstances in which you are liable for losses resulting from “unauthorised EFT transactions”, see clause 47. Your liability for losses resulting from unauthorised EFT transactions will be determined under the EFT Code (as reflected in clause 47) rather than clause 42, except where your account is a business account in which case your liability for such losses will be determined under clause 47.1.

You should ensure that authorised operators are familiar with these guidelines as you may be liable for losses those authorised operators incur in relation to your account.

You should also refer to clause 49 in relation to your liability for other unauthorised transactions.

42. Guidelines – access method security

This clause sets out guidelines for users on ensuring the security of an *access method*. These are guidelines only.

42.1 Keeping your cards and codes secure

You may be provided with two types of security code numbers which you will need to access *your account* using a *card* or *Home Banking Service*. The *PIN* must be used to access *your account* through ATMs and EFTPOS retailers. A *PAC* must be used to access *your account* through *Home Banking Services*.

The security of *access methods*, in particular, *cards*, *PINs* and *PACs* (or any other *code*) is very important. Users must make every effort to see that their *card* and any record of their *PIN*, *PAC* or other *code* are not misused, disclosed, lost or stolen. These guidelines are designed to assist you with security and to reduce the incidence of losses that you or we may incur.

42.2 Security guidelines generally

Users should:

- (i) sign a *card* as soon as it is received
- (ii) not voluntarily disclose a *PIN*, *PAC* or other *code* to anyone (including to a family member or friend)
- (iii) take reasonable steps to prevent another *person* observing the *user* entering their *PIN*, *PAC* or other *code*
- (iv) not permit any other *person* to use any *card* that has been issued to the *user*
- (v) if we permit the *user* to select or change a *PIN*, *PAC* or other *code*, not select a numeric *code* that represents the *user's* birth date or an alphabetical *code* which is a recognisable part of the *user's* name
- (vi) when using online banking exit the bank application before leaving the computer unattended and take reasonable steps to maintain the security of the *user's* hardware and software
- (vii) not record their *PIN* on their *card*, or keep a record of their *PIN* on any article or articles normally carried with the *card*, or which are liable to loss or theft with the *card*
- (viii) not record their *PAC* or other *code* used to access a *Home Banking Service* on a telephone or computer, or keep a record of their *PAC* or any article or articles containing such other *code* which are liable to loss or theft with the record of the *PAC*.

If a *user* requires a memory aid to recall their *PIN*, *PAC* or other *code*, then if the *user* makes a record of that *code* they should make a reasonable attempt to protect the security of the *code* record. For example, *users* should make a reasonable attempt to disguise the *code* within the record and take reasonable steps to prevent unauthorised access to the *code* record, for example by hiding or disguising the *code* record among other records or in places where a *code* record would not be expected to be found, by keeping the record of the *code* in a securely locked container or where the *code* is stored electronically and prevent unauthorised access to the relevant electronic record.

Users should not record a disguised *PIN* on their *card* or record a disguised *PAC* or other *code* used to access a *Home Banking Service* on a telephone or computer, disguise their *code* by reversing the number sequence, disguise a *code* using alphabetical characters or numbers (for example A=1, B=2, C=3, etc) or disguise a *code* using any of the following combinations (or parts of them):

- Dates of birth
- Personal telephone numbers
- Car registration numbers
- Family members' names
- Social security numbers
- Licence numbers.

Users should not describe their disguised record as "internet banking *code*", "online *code*", "access line *code*", "*PIN* record", "*PAC* record", "personal access *code* record" or anything similar; or store their *code* in any low security electronic device of any kind, such as calculators, personal computers and electronic organisers.

Other means of disguise may also be inappropriate as they may allow someone else to ascertain the *user's code*. *Users* should exercise extreme care if they decide to record a memory aid for a *code*.

43. Business accounts and the EFT Code

The *EFT Code* does not apply to *EFT transactions* in relation to *business accounts*. If *your account* is a *business account*, then these *terms and conditions* are varied where expressly indicated in this section. Where it is indicated in this section that certain clauses do not apply in relation to *business accounts*, such clauses do not apply, despite them being referred to in other clauses (in which case such other clauses are to be read as if that reference to the clause that does not apply did not appear).

44. Changes to terms and conditions to transaction services

We may change these *terms and conditions* from time to time, including to:

- Impose or increase charges relating solely to the use of an *access method*, or the issue of an additional or replacement *access method*
- Increase *your* liability for losses relating to *EFT transactions* (subject to the liability limits in the *EFT Code* to the extent that the *EFT Code* applies), or
- Impose, remove or adjust a daily transaction limit or other periodic transaction limit applying to the use of an *access method*, an *account* or *electronic equipment*.

We will give *you* such period of advance notice of any change as required by any applicable law, (including the Uniform Consumer Credit *Code*), applicable industry or other *code* of practice (including the *EFT Code* and the *Code* of Banking Practice) or, if applicable to the change, the *terms and conditions* of *your account*. In the absence of any such requirement we will give *you* notice of any such change in advance of the date it takes effect. Any such notice will be given in writing, by advertisement in the national media or local media or, where permitted, electronically.

Notwithstanding the provisions of this clause, advance notice need not be given when changes are necessitated by an immediate need to restore or maintain the security of the system or individual *accounts*.

45. Complaints in relation to *transaction services*

45.1 Complaints in relation to *EFT transactions*

If a *user* has a complaint relating to an *EFT transaction* or any other matter covered by the *EFT Code*, including any apparent error in a transaction or instances of unauthorised transactions or a query relating to an entry in, or an apparent error in, a *statement of account*, the following procedures will apply:

- (a) The *user* must notify *us* promptly by telephoning *us* on the relevant numbers set out in the **Contact details** section of this *Product Guide* and must as soon as possible thereafter supply *us* with written confirmation of the complaint.
- (b) If *we* are unable to resolve the matter immediately, the *user* will be given written advice of *our* procedures to investigate and handle the matter and will be required to give details of all relevant information regarding the complaint.
- (c) Within 21 days of receiving the complaint, *we* will advise the *user* in writing of either the outcome of the investigation or the need for more time to complete *our* investigation.
- (d) In all but exceptional cases, *we* take less than 45 days to complete *our* investigation.
- (e) If it is going to take longer than 45 days to resolve the complaint, *we* will:
 - (i) inform the *user* of the reasons for the delay
 - (ii) provide the *user* with *monthly* updates on progress with the complaint, and
 - (iii) specify a date when a decision can be reasonably expected, unless *we* are waiting for a response from the *user* and the *user* has been advised that *we* require such a response.
- (f) When *we* complete *our* investigation, *we* will promptly inform the *user* of:
 - (i) the outcome
 - (ii) *our* reasons for *our* decision, with reference to relevant provisions of the *EFT Code*
 - (iii) except where the complaint has been resolved completely in the *user's* favour, the further action the *user* can take in respect of the *EFT Code* including other avenues of dispute resolution that are available and the relevant contact details. This advice will be in writing unless the complaint is settled immediately to the satisfaction of the *user* and *us*.
- (g) If *we* decide that an *account* has been incorrectly debited or credited, having regard to the provisions of the *EFT Code* *we* will where appropriate adjust the *balance* of the *account* (including appropriate adjustments for any interest and/or charges) and tell *you* in writing of the amount by which the *account* has been debited or credited as a result.

- (h) If *we* decide that *you* are liable under clauses 47 or 48 of this *Product Guide* for at least part of the amount of the transaction subject to complaint, *we* will make available to *you* copies of any document or other evidence (including information from the log or audit trail relating to the transaction) relevant to the outcome and will also advise *you* in writing whether there was a system or equipment malfunction at the time of the transaction.
- (i) Where *we* decide to resolve a complaint concerning an "unauthorised transaction" under clauses 47.2 or 47.3 and within 7 *business days* of receipt of the complaint, adjust *your account* pursuant to subclause (h) above to give effect to that decision and provide the *user* with the information required by subclauses (g) and (h) above, *we* are not required to comply with subclauses (b), (c) or (i) above in respect of the complaint concerning the unauthorised transaction.

45.2 *Business accounts*

If *your account* is a *business account*, clause 45.1 will not apply. Any complaint in relation to a *BPAY payment* will be dealt with in accordance with the requirements of the *BPAY Scheme Rules and Operating Procedures* at that time. Other complaints will be dealt with in accordance with any industry or other *code* of practice which is applicable and which is binding on *us*, or will otherwise be dealt with as *we* see fit.

46. *Your obligations*

You are liable for all of *your* obligations under these *terms and conditions* both on *your* own and, for obligations in respect of *your account* and subject to the terms of that *account*, jointly with any one or more other *persons* who may hold the *account* jointly with *you*. Subject to any express provisions in this section regarding liability, including liability under the *EFT Code* or *BPAY*:

- (a) *we* do not accept any liability or responsibility for disclosure of information relating to *your account* via any *Home Banking Service* where such information is obtained by or in conjunction with any *person* using *your PAC*, and
- (b) *we* are not responsible or liable for any loss or damage suffered by *you* or any other *person* arising directly or indirectly from or in connection with *Home Banking Services*:
 - (i) should any *Home Banking Service* instruction (other than an instruction for an *EFT transaction*) not be performed, not be performed in its entirety, not be performed promptly, not be performed in the way *we* have said it will perform, or is erroneous
 - (ii) should *our equipment* refuse to accept an instruction at any time as a result of any loss, modification, damage or destruction of hardware or software including where caused by computer virus or program bugs or similar causes, or

- (iii) for any other reason where the law and any applicable *code* of practice (including the *EFT Code*) do not provide that *you* are not so liable.

47. Liability for unauthorised *EFT transactions*

47.1 Application of this clause

This clause 47 deals with liability for *EFT transactions* which are not authorised by a *user* and does not apply to any transaction carried out by a *user* or by anyone performing a transaction with a *user's* knowledge and consent.

This clause 47 does not apply to any transaction relating to a *business account*. If *you* hold a *business account*, subject to clause 38, *you* will be liable for all transactions on *your business account*, whether authorised by a *user*, carried out by a *user*, by anyone performing a transaction with a *user's* knowledge and consent or by an unauthorised *person*.

47.2 When *you* are not liable for losses

You are not liable for losses resulting from unauthorised transactions:

- (i) occurring after notification to *us* that any *card* forming part of the *access method* has been misused, lost or stolen or that the security of *codes* forming part of the *access method* has been breached
- (ii) where it is clear that a *user* has not contributed to such losses. If a *user* is unable to report the loss, theft or unauthorised use of a *card* or breach of security by reason of *our* notification facilities being unavailable *you* are not liable for any losses occurring during the period in which such facilities were not available providing that notification is made to *us* within a reasonable time of the facility again becoming available.

You are also not liable for any losses:

- (i) that are caused by the fraudulent or negligent conduct of *our* employees or agents or companies involved in networking arrangements or of merchants or of their agents or employees
- (ii) relating to any component of an *access method* that is forged, faulty, expired or cancelled
- (iii) that arise from transactions which require the use of a *card* or *code* forming part of the *user's access method* and that occurred before the *user* has received any such *card* or *code* (including a reissued *card* or *code*),
- (iv) that are caused by the same transaction being incorrectly debited more than once to the same *account*.

47.3 When *you* are liable for losses

If clause 47.2 does not apply then *you* are liable for losses resulting from unauthorised transactions only as provided below:

- (a) Where *we* can prove on the *balance* of probability that a *user* contributed to the losses through the *user's* fraud or the *user's* contravention of the *rules for user codes* in clause 47.4, *you* are liable for the actual losses which occur before *we* are notified that a *card* forming part of the *access method* has been misused, lost or stolen or that the security of the *codes* forming part of the *access method* has been breached, but *you* are not liable for any loss that exceeds transaction or account limits as follows:
 - (i) that portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s)
 - (ii) that portion of the losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period
 - (iii) that portion of the total losses incurred on any *account* which exceeds the *balance* of that *account* (including, where the *EFT Code* allows, any prearranged credit)
 - (iv) all losses incurred on any *accounts* which *you* and *we* had not agreed could be accessed using the *access method*.

Where an *access method* includes more than one *code* and *we* prove that a *user* contravened the *rules for user codes* by voluntarily disclosing or by keeping a record of one or more *codes* but not all the *codes* in the *access method*, *you* are liable under this subclause (a) only if *we* also prove on the *balance* of probability that the *user's* contravention of the *rules for user codes* was the dominant contributing cause of the losses.

- (b) The *user's* unreasonable delay in giving notice where *we* can prove on the *balance* of probability that a *user* has contributed to losses resulting from unauthorised transactions by the *user's* unreasonable delay in notifying *us* after becoming aware of the misuse, loss or theft of a *card* forming part of the *access method*, or that the security of all of the *codes* forming part of the *access method* has been breached, *you* are liable for the actual losses which occur between when the *user* became aware (or should reasonably have been aware in the case of a lost or stolen *card*) and when *we* were actually notified, but are not liable for any losses that exceed the transaction or account limits described above in paragraphs (i), (ii), (iii) or (iv) of clause 47.3(a).

- (c) Where a *code* was required to perform the unauthorised transactions and neither of clauses 47.3(a) or 47.3(b) apply, *you* are liable for the least of:
- (i) \$150
 - (ii) the *balance* of those *account(s)* (including any pre-arranged credit) from which value was transferred in the unauthorised transactions and which *you* and *we* have agreed may be accessed using the *access method*
 - (iii) the actual loss at the time *we* are notified (where relevant) that the *card* has been misused, lost or stolen or that the security of *codes* has been breached (excluding that portion of the losses incurred on any one day which exceed any applicable daily transaction or other periodic transaction limit(s)).

47.4 Rules for user codes

Where an *access method* utilises a *code* or *codes*, a *user* must comply with the following rules:

- (a) The *user* must not voluntarily disclose one or more of the *codes* to anyone, including a family member or friend
- (b) Where the *access method* also utilises a *card*, the *user* must not indicate one or more of the *codes* on the *card*, or keep a record of one or more of the *codes* (without making any reasonable attempt to protect the security of the *code* records) on the one article, or on several articles, carried with the *card* or liable to loss or theft simultaneously with the *card*
- (c) Where the *access method* comprises a *code* or *codes* without a *card*, the *user* must not keep a record of all the *codes* (without making any reasonable attempt to protect the security of the *code* records) on the one article, or on several articles so that they are liable to loss or theft simultaneously
- (d) Where *we* permit the *user* to select or change a *code* and, immediately before the *user's* selection or change of the *code*, *we* specifically instruct the *user* not to select a numeric *code* which represents the *user's* date of birth or an alphabetical *code* which is a recognisable part of the *user's* name and warn the *user* of the consequences of such a selection, then the *user* must not select such a numeric or alphabetical *code*, or
- (e) The *user* must not act with extreme carelessness in failing to protect the security of the *code*.

Where *we* expressly:

- Authorise particular conduct by a *user* (either generally or subject to conditions), the engaging in that conduct by the *user* (within any applicable conditions) is not a contravention of the *rules for user codes*
- Or impliedly promote, endorse or authorise the use of an *account access service* by a *user* (including the hosting of an *account access service* at *our*

electronic address), disclosure, recording or storage of a *code* by a *user* that is required or recommended for the purpose of using that *account access service* is not a contravention of the *rules for user codes*.

For the purposes of the *rules for user codes*, a reasonable attempt to protect the security of a *code* record includes either or both of making any reasonable attempt to disguise the *code(s)* within the record and taking reasonable steps to prevent unauthorised access to the *code* record.

48. Liability in cases of system or equipment malfunction

We are responsible to *users* for loss caused by the failure of *our system* or *our equipment* to complete an *EFT transaction* accepted by *our system* or *our equipment* in accordance with the *user's* instructions.

A *user* is entitled to make claims for consequential damage in relation to an *EFT transaction* which may arise as a result of a malfunction of *our system* or *our equipment* however caused, except where the *user* should have been aware that the system or equipment was unavailable for use or malfunctioning, in which case *our* responsibilities are limited to the correction of any errors in the *account*, and the refund of any charges or fees imposed on *you* as a result.

This clause does not apply to any transaction relating to a *business account*. If *you* hold a *business account*, subject to clause 38, *you* will be liable for all transactions on *your business account*, whether authorised by a *user*, carried out by a *user*, by anyone performing a transaction with a *user's* knowledge and consent or by an unauthorised *person*.

49. Liability – other transactions

You are liable for any *card* transaction:

- (a) Which is not authorised by a *user* or which is not carried out by a *user* or by anyone performing a transaction with the *user's* knowledge or consent, and
- (b) Which is not an *EFT transaction* (such as the use of a *card* to make a purchase where a *PIN* is not used and a voucher is signed to authorise the transaction), but *you* will not be liable for any such transaction that occurs after *we* receive notice from *you* that the *card* has been lost or stolen.

You are liable for transactions which are authorised by a *user* or which are carried out by a *user* or by anyone performing a transaction with a *user's* knowledge or consent.

This clause does not apply to any transaction relating to a *business account*. If *your account* is a *business account*, subject to clause 38, *you* will be liable for all transactions on *your account* whether authorised by a *user*, carried out by a *user*, by anyone performing a transaction with a *user's* knowledge and consent or by an unauthorised *person*.

50. Indemnity from you

Unless *your* liability is limited by another term in this *Product Guide*, *you* agree to indemnify *us* against any loss, damage, liability, costs, charge or expense that *we* may suffer or incur directly or indirectly because of:

- (a) Any claim, demand or action of any kind brought against *us* arising directly or indirectly from *you* not observing any of *your* obligations set out in this *Product Guide*
- (b) *You* acting negligently or fraudulently in connection with the agreement constituted by these *terms and conditions*
- (c) *Us* acting on instructions given by a *user* or for which *you* are otherwise liable under these *terms and conditions*
- (d) Any loss, misuse, defacement or destruction of a *card* issued to a *user*
- (e) Any loss, defacement or destruction of any cheque issued to a *user*
- (f) *Us* refusing to allow *payment* of a cheque in good faith in the ordinary *course* of business
- (g) A stop payment request being given too late to enable the payment to be stopped
- (h) The appointment of or any action taken or notification given by an *authorised operator*
- (i) Any action taken on instruction received by fax or telephone whether or not any instructions were actually given by *you*
- (j) The operation or use of any good or service provided by *us* and made available to a *user*
- (k) A withdrawal request, however made and including by cheque, which is agreed to by *us* and for which there are insufficient cleared funds in *your account*
- (l) *You* stopping payment on a cheque, or
- (m) Any computer viruses, program bugs and similar causes where such loss, damage, liability, cost, charge or expense arises as a direct or indirect consequence of use by a *user* of a *Home Banking Service*.

51. Implied conditions and warranties

Some legislation (including the Trade Practices Act 1974 and the Australian Securities and Investments Commission Act 2001) implies conditions and warranties into particular types of contract, and some legislation does not permit such conditions and warranties to be excluded, restricted or modified. The *terms and conditions* contained in this section are limited such that they do not exclude, restrict or modify any of those rights.

However, so far as the law allows, *we* do not make any representations or give any warranties about the *transaction services* being provided with due care and skill or being reasonably fit for the purpose for which they are supplied.

To the extent permitted by law *our* liability for any breach of a condition or warranty is limited to:

- In the case of goods, the replacement or repair of the goods or the cost of replacing or repairing such goods,
- In the case of services (including financial services), the supplying of the services again or the *payment* of the cost of having these services supplied again.

Circumstances in which the law would permit *us* to limit *our* liability for these implied conditions and warranties might include where *you* acquire a service for business purposes and *you* cannot establish that it would be unfair or unreasonable for *us* to rely on such limitation of *our* liability.

PART E – Fees and charges

52. Fees and charges payable

You agree to pay us:

We may do so on or after the date we pay them or the date they become due or payable by you or us (whichever is earlier). We can at any time choose not to collect a fee or charge from you. This does not prejudice our right to collect the fee or charge in the future. 53. How to minimise fees

Simple ways to reduce the fees and charges payable on *your account* can include the number of withdrawals *you* make. For example, if *you* currently withdraw small amounts of money a number of times a week, *you* may wish to withdraw a larger amount only once or twice a week. When making *purchases* via EFTPOS the retailer may allow *you* to take cash out at the same time. This will be considered as one transaction only.

Selecting free transactions or transactions that attract a lower fee. For example, if *you* currently visit a *branch* to make *regular* withdrawals, consider using *your card* at an ATM instead.

Transactions that are free of charge include:

- Cash deposits (including *Bank@Post* Agency Banking)
- Auto deductions (a transfer from one Adelaide Bank account to another Adelaide Bank account)
- Auto payment plan
- BPAY to Adelaide Bank accounts
- Direct credits
- Express Line *balance* enquiries
- Online banking *balance* enquiries
- Bendigo Bank ATM *balance* enquiries.

54. Government charges

54.1 Tax file number (TFN) withholding tax

All income that *you* receive in relation to *your account* will be assessable income for taxation purposes unless *you* are exempt from income tax. *You* may wish to seek independent taxation advice before deciding to open a CMA.

You are not obliged to provide us with *your* TFN. However, if *you* do not supply us with *your* TFN or claim a valid exemption for each *account* holder, we will be required to deduct tax from interest *payments* made to *you*. Tax will be deducted at the highest marginal rate plus the Medicare Levy in accordance with Australian Taxation Office requirements.

54.2 Non-resident withholding tax

If *you* are a non-resident *you* may be liable for Australian tax on interest payments, and this may be deducted from interest payments made to *you*. The rate at which tax may be withheld is subject to Australian tax law and may depend on *your* country of residence.

PART F – General matters

55. Insolvency and bankruptcy

If *you* are a body corporate and *you* become *insolvent*, are placed in administration or in liquidation, or steps are taken to make *you* so, then *you* must immediately notify us of this fact.

If *you* are an individual and *you* are declared bankrupt or steps are taken to make *you* so, then *you* must immediately notify us of this fact.

If *you* become bankrupt, or an administrator is appointed, or *you* are in liquidation, we will stop *your account*, thus denying *you* access to *your* money, and we will act on instructions from *your* trustee, administrator or liquidator.

Authorised operators must immediately notify us if they or the AFSL holder they work for become insolvent or become bankrupt.

56. Default

You will be in default if *you* breach these *terms and conditions* or any other agreement *you* have with us, or if any information *you* give us in connection with *your account* is, in our opinion, false or misleading. *You* must notify us immediately if *you* become aware that *you* are in default under these *terms and conditions*.

If *you* are in default, we may give *you* a notice stating that *you* are in default.

If *you* do not correct the default within any period given in the notice then, at the end of that period and without further notice to *you*, the *total amount owing* becomes immediately due for *payment* (to the extent it is not already due for *payment*). We may then sue *you* for that amount.

In limited circumstances set down by law (such as if we are unable to locate *you*), we need not give the notice or wait until the end of any period given in a notice. In such a case, the *total amount owing* becomes immediately due for *payment* without notice and we may then immediately sue *you* for that amount.

If *you* are in default, we may use any money *you* have in this *account* or in another account with us towards repaying the *total amount owing* (this is known as a contractual right to “combine *accounts*”). We may combine *accounts* without giving *you* any notice but we will advise *you* afterwards. This provision does not affect any rights we have to combine accounts which arise by operation of law.

Your obligation to pay on time is not cancelled by these provisions. Further information on combining accounts is in the following paragraphs.

57. Combining accounts and set-off

We can combine the *balances* of two or more of *your* accounts, even if the accounts are at different *branches*. For example, if *your* cheque account is overdrawn we might use money in *your* savings account to reduce the amount *you* owe on *your* cheque account.

When *you* have an existing account with *us* and *you* open a new account covered by this *Product Guide*, the new account can be combined with *your* existing account.

However, this would not happen where, for example:

- We know the accounts are not held by *you* in the same capacity (for example, where *you* have a personal account and also an account as trustee for *your* child)
- *Your* debt to *us* arises from some business other than banking
- We have specifically agreed to keep *your* accounts separate or *your* dealings with *us* suggest such an agreement.

In some cases there are limits to the extent to which accounts may be combined where a Code of Conduct, by which *we* are bound, limits account combination (for example, the Centrelink Code of Operation).

We will promptly tell *you* if *we* have combined any of *your* accounts, but *we* are not liable to do so beforehand. *You* cannot presume an overdrawn account will be combined by *us* with an account which is in credit (for example, in order to cover cheques *you* have drawn on the overdrawn account) unless *we* have agreed to this. Subject to any statutory right of set-off which *we* cannot exclude by agreement, *you* must pay *us* all amounts due under these *terms and conditions* in full without setting off amounts *you* believe *we* owe *you* and without counterclaiming amounts from *us*. *We* may set off any amounts *we* owe *you* against money *you* owe *us*.

58. Taxation and social security

58.1 Assessable income

All income that *you* receive in relation to *your* account will be assessable income for taxation purposes unless *you* are exempt from income tax. *You* may wish to seek independent taxation advice before opening a CMA.

58.2 Non-residents

If *you* are a non-resident *you* may be liable for Australian tax on interest payments and this may be deducted from interest payments made to *you*. The rate at which tax may be withheld is subject to Australian taxation law and may depend on *your* country of residence.

58.3 Tax file number (TFN) notification

You are not obliged to provide *us* with *your* TFN, however if *you* do not supply *us* with *your* TFN or claim a valid exemption for each account holder *we* will be required to deduct tax from interest payments made to *you*. Tax will be deducted at the highest marginal rate plus the Medicare Levy in accordance with Australian Taxation Office requirements.

Australian companies and certain other business entities may supply an ABN instead of a TFN.

58.4 Social security

Bank accounts are subject to both income and assets tests, and therefore a deposit with *us* may affect *your* entitlement to a social security benefit. *We* recommend that *you* seek independent advice from a financial adviser or Centrelink before choosing to make a deposit.

59. Financial difficulty

If *you* are experiencing financial difficulty, *you* should promptly inform *us* by contacting *us*.

60. Incapacity

If *we* are satisfied that:

- *You* have become of unsound mind or incapable of managing *your* affairs through age or infirmity or any other reason, and
- No committee, receiver or guardian has been appointed although the contrary may be the fact,

we may permit a withdrawal by any *person* who appears to have the care or custody of *you* or the management of *your* affairs of the whole or any portion of the *deposit balance* of *your* account. Such withdrawal shall be taken to be a valid act by *you* and the receipt of funds by such *person* shall be binding upon *you*. *We* shall not be liable to any *person* including *you* in respect of any such withdrawal.

61. Equitable interests

Except as required by court order or these *terms and conditions* and although *our* records may indicate that money deposited with *us* is held on trust, *we* may not and are not obliged to recognise any beneficial interest in that money.

62. Adjustments

We may subsequently adjust debits and credits to *your* account so as to accurately reflect the legal obligations of *you* and *us* (for example, because of an error or a dishonour). If *we* do this *we* may make consequential adjustments (including to interest charges).

63. End of day

A day of the week ends for any purpose under these *terms and conditions* as follows:

- If the day is a Saturday and a *banking day* -1.00 pm
- Otherwise a day ends at 6.00 pm.

64. Variations and waivers

A provision of these *terms and conditions*, or a right created under it, may not be waived except in writing signed by the party or parties to be bound. *We* may agree to change these *terms and conditions* or defer or waive any of these *terms and conditions* without creating a new agreement.

65. Time

A reference to a time in this *Product Guide* is a reference to the time in Adelaide, South Australia.

66. How we may exercise our rights

We may exercise a right or remedy or give or refuse *our* consent in any way we consider appropriate including by imposing reasonable conditions. If we do not exercise a right or remedy fully or at a given time, we can still exercise it later. *Our* rights and remedies under these *terms and conditions* are in addition to other rights and remedies provided by law independently of it or by any other agreement. *Our* rights and remedies under these *terms and conditions* may be exercised by any of *our* employees or any other *person* we authorise.

We are not liable for loss caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy.

67. Our certificates

We may give *you* a certificate about a matter or about an amount payable in connection with these *terms and conditions*. The certificate is sufficient evidence of the matter or amount, unless it is proved to be incorrect.

68. Assignment

We may assign *our* rights under these *terms and conditions*. *You* agree that we may disclose any information or documents we consider desirable to help us exercise this right. *Your* rights are personal to *you* and may not be assigned without *our* written consent.

69. Trade hold authority

Where *your* financial adviser or stockbroker is an *authorised operator* on *your account* you agree that:

- Any financial adviser or stockbroker who has full access *authorised operator* status on *your account* may place, maintain and remove a hold on the funds in *your account*. We may place, maintain and remove a hold, but only under instructions from *you* which are accompanied by a written authority to also remove *your* financial adviser or stockbroker as a full access *authorised operator* on the *account*. When a hold is placed, whoever places the hold will nominate a release date for the hold.
- A hold will make the funds that are the subject of the hold unavailable to *you* for the duration of the hold and may thus affect the available balance of *your account*. This may prevent transactions from being processed.
- Some transactions that could be prevented due to a hold being placed on funds may incur a fee (e.g. cheque dishonours, direct debit dishonours) and none of *your* financial adviser, *your* stockbroker, or *us* takes any responsibility for fees incurred by *you* as a result. Refer to the fees and charges section of this *Product Guide* for details of dishonour fees.

- A hold can only be placed on available funds.
- The hold will be removed and funds will be available at the close of business on the last *banking day* preceding the nominated release date.
- A hold on funds in the *account* will be removed when it is deleted by whoever is properly authorised to remove that hold, it is deleted by *us* under instructions from *you* when accompanied by a written authority to also remove *your* financial adviser or stockbroker as a full access authorised operator on the *account*, a transaction is processed during the hold period equal to the held amount or the hold period elapses.
- A *statement of account* will not provide a record of holds placed on funds in the *account*.
- A record of elapsed holds is not kept by *us*.

70. Inconsistent legislation

Where legislation applies to these *terms and conditions* then if that legislation would otherwise make a provision of these *terms and conditions* illegal, void or unenforceable, or a provision of these *terms and conditions* would otherwise contravene a requirement of that legislation or impose an obligation or liability that is prohibited by legislation, these *terms and conditions* are to be read as if that provision were varied to the extent necessary to comply with that legislation or, if necessary, omitted.

To the extent allowed by law and subject to the paragraph above, these *terms and conditions* prevail to the extent they are inconsistent with any law.

71. Applicable law

These *terms and conditions* are governed by the law in force in South Australia. *You* and *we* submit to the non-exclusive jurisdiction of the *courts* of that place.
